CS/CU = Completed Satisfactory/Completed Unsatisfactory

Counted towards LL.B. (Hons.) degree

Counted towards USP requirements

Total number of USP modules read at NUS adds up to 32 MC. In the event that a student has read more than 12 credits outside the Faculty of Law toward the credit requirements for the LLB, the student's non-law credits will be aggregated and pro-rated so as to accord them a weightage of 12 credits in calculating the Class of Honours. The consequence is that Law-USP students will be reading fewer law electives in Years 3-4.
