Law DR to satisfy USP ISM requirement and will fulfil Law requirements.

Counted towards LL.B. (Hons.) degree

Counted towards USP requirements

Total number of USP modules read at NUS adds up to 32 MC. In the event that a student has read more than 12 credits outside the Faculty of Law toward the credit requirements for the LLB, the student's non-law credits will be aggregated and pro-rated so as to accord them a weightage of 12 credits in calculating the Class of Honours. The consequence is that Law-USP students will be reading fewer law electives in Years 3-4.
