

Panel No.	<b>6</b>
Panel Paper Title	<b>Medical Decisions and the Law in Asia</b>
Panel Convenor	<p><b>Assoc Prof Tracey Evans Chan</b></p> <p>Tracey Evans Chan is an Associate Professor in the Faculty of Law, NUS, and specialises in biomedical law and ethics. He has published in the field both locally and internationally, and served in a number of Singapore expert committees on matters such as surrogacy, transplant ethics, human-animal combinations in biomedical research and mitochondrial germline modification. Professionally, he was called to the Singapore Bar in 1998 and then spent two years clerking for the Supreme Court of Singapore before joining academia. He concluded a year-long secondment to the Singapore Ministry of Health as a Deputy Director in the Regulatory Policy and Legislation Division in 2015, where he assisted in the policy work for the recently enacted Human Biomedical Research Act 2015.</p>
Name of Panellists	<p><b>Asst Prof Daisy Cheung</b></p> <p>Daisy Cheung is an Assistant Professor of the Faculty of Law of the University of Hong Kong, as well as the Deputy Director of the Centre for Medical Ethics and Law. Prior to joining the University of Hong Kong, Daisy obtained her BA from Amherst College, LLB (Hons) and PCLL from the University of Hong Kong and her BCL from the University of Oxford. Her research interests are in the field of medical law, primarily mental health law and ethics. Daisy currently co-teaches Medico-Legal Issues for the LLB and JD/LLM programs at the University of Hong Kong, in addition to teaching tort and contract law.</p> <p><b>Dr Sharon Kaur</b></p> <p>Sharon is a senior lecturer at the Faculty of Law, University of Malaya. She teaches Medical Law and Ethics to both undergraduate and graduate students. Her research interests have primarily revolved around medical research ethics and issues of competency and consent. She is currently working on issues relating to Global Health Ethics and the rights of marginalised populations.</p>
